Dear Residents, Families, and Friends:

Visitation remains open at all of our facilities, and the rates of COVID in the community continue at a high level requiring all visitors to wear masks while visiting in the facility.

Following are the current visitation guidelines:

- Visitors need to complete the screening log to ensure you are not having COVID symptoms.
- Visitation is open, and in-person visits no longer require an appointment. Visits by Zoom can be scheduled on our website www.vaahs.com.
- You are able to visit regardless of the COVID status of the Resident.
- Mask wearing, and in some cases visitor testing, are based on community rates of COVID being substantial or high.
- Wearing a mask is required in the following situations:
 - Regardless of vaccination status, if there are active cases of COVID in the facility
 - If you are not fully vaccinated
 - When vaccine status is not disclosed, disclosure is your choice and not required
 - Regardless of vaccination status, wearing a mask and physical distancing in hallways, around other Residents, and in conversations with staff.

The table below summarizes the current community rate of COVID infections, and the masking requirements.

Facility	Phone Number	Masking & Community Rates			Cumulative COVID+ Cases & Recoveries			
		Masking Required	Community Rate	Outbreak Status	COVID+ Residents	COVID+ Resident Recoveries	COVID+ Staff	COVID+ Staff Recoveries
Coliseum	757-827-8953	Yes	High	No	142	121	88	88
James River	757-595-2273	Yes	High	Yes	98	72	107	105
Lancashire	804-435-1684	Yes	High	Yes	92	54	50	48
Newport & Huntington	757-595-3733	Yes	High	No	49	33	44	44

York & Hamilton	757-898-1491	Yes	High	Yes	82	65	48	48

Vaccines and boosters remain effective ways to lessen the impact of COVID. Unfortunately, the rate of COVID cases remains high and has not improved in weeks. Please consider the vaccine and/or booster as we begin to approach the fall season.

Thank you!

Sincerely,
