You do the living, we'll provide the assistance.

Our 32 private apartments give you the space you need to feel at home, while our professional nursing staff is available to assist you 24/7.

The Huntington ASSISTED LIVING

ACCESS TO HIGH QUALITY HEALTHCARE AT YOUR DOORSTEP

We offer a secure and comfortable lifestyle with your health and wellness as our top priority.

One of the significant advantages of living at The Huntington Assisted Living is access to healthcare services provided by VHS Home Health Care, Rehabilitation and Hospice.

We stand out because we can coordinate your care while you remain in the safety and comfort of your new home.

The Huntington also offers fitness and wellness activities and exercise programs with your best life in mind.

THE BENEFITS OF ASSISTED LIVING

If you need assistance with Activities of Daily Living (ADLs), including medication management, mobility and dining, the team members at The Huntington are here for you. Assisted living with Virginia Health Services allows individuals to live as independently as possible,

with peace of mind knowing there is a nursing staff available 24/7 at the touch of a button.

WELCOME TO YOUR NEW HOME

We charge no entry fees to live at the Huntington. We provide a choice of floor plans to fit your needs. All of our apartment homes have private bathrooms, individual climate controls and emergency alert systems. Each floor plan includes a kitchenette with a refrigerator, microwave and plenty of storage.
